YOU'VE ALL BEEN SO WONDERFUL TO WRITE ME WITH YOUR SECRETS. I LOVE YOU!
Dear Cheryl
DON'T TELL ME YOU TOLD HER YOUR SECRETS!
THEY'RE NOT SECRETS NOW!

BY SARA ALGASE

Dear Cheryl,
There is this boy named Taylor, who I really like. I call him and talk a lot with him, but he always stares at this girl in class named Lauren. I really like Taylor, but I don't think he likes me. What should I do? **-- Jenna, Raleigh, NC**

Dear Jenna,
You can't go around with a boy not liking you. That's simply inexcusable. Find out what he likes about this Lauren chick, and copy her, only better. If she has big hair, make your hair bigger. If she wears pink lipstick, make yours pinker. Good Luck!
-- Cheryl

Dear Cheryl,
I have a great life! I have cool friends, cool clothes, a rich boyfriend and I get straight A's. But one day a very mean girl stole my birthday present from my boyfriend. Then she started telling the whole fourth grade that I'm a nerd and I need glasses!
-- Kelly, Arlington, VA

Dear Kelly,
This girl has a major case of envy. It's not your fault you have a great life. She shouldn't take it out on you. That's just not fair! Demand your present back and tell her that if she's really nice to you, you'll lend her some of your cool clothes. -- Cheryl

Dear Cheryl,
All my friends have boyfriends. I don't have one. I feel uncomfortable when my friends talk about how many boyfriends they've had. I'm 13 and I can't actually date until I'm 16. My friend Kara has 32 boyfriends! **-- Desperate, Indianapolis, IN**

Dear Desperate,
So maybe you can't date yet, but that doesn't mean you can't lie a little. Tell your friends about cute boyfriends you've had when you were away at camp or on vacation. Make sure the stories involve times when none of your friends were around, so they won't know you're fibbing. They'll be so impressed! -- Cheryl

Dear Cheryl,
I'm pretty popular and lots of boys like me. There is this one guy who's really dorky. He has a crush on me and said I look cute. What should I say to him to let him know I don't want to have a relationship? **-- Uncertain, Sask., Canada**

Dear Uncertain,
You don't have to come right out and tell him unless he asks you on a date. But drop little hints when you know he's in ear-shot. Talk to a friend about a fake "boyfriend" so he'll think you're already involved. And whenever he gives you compliments, say, "Yes, my boyfriend thinks so too." -- Cheryl

Dear Cheryl,
There's this boy who asked me out. But this other boy who I really like asked me to be his Valentine. Should I say yes or no? What if it breaks somebody's heart? **-- Tiffany, Schenechtady, NY**

Dear Tiffany,
Chances are if you are gorgeous, flirty, and glamorous like me, you will ending up breaking some boys' hearts. But it's your life, so pick the cutest, richest hunkiest guy and tell the other guy "No way." Who said love was fair? -- Cheryl

Dear Cheryl,
Since you've got the life I've always dreamed of, I wanted to know: How do I find the right guy? All or most of the guys in sixth grade are jerks. I've gone out with one guy this year. How do I make sure he's the right guy I want to date? **-- Emily, Bloomfield Hills, MI**

Dear Emily,
Make a list of the "qualifications" you want in a guy. For example: has a built-in swimming pool, cool clothes, access to his parent's credit card, movie star looks, athletic, sensitive, and showers you with gifts. And don't settle for anything less. -- Cheryl

Dear Cheryl,
I am the most popular girl in school. Girls are jealous of me and some of them are scared because I beat the mean ones up. Most of the girls try to steal my boyfriends and occasionally they steal money. What should I do? **-- I Go Girl, Terrell, TX**

Dear I Go Girl,
You are someone to be admired. Not only do you have popularity but you have fighting skills too. And it sounds like you need them, with those jealous girls around. Don't flash your cash at school, and tell those girls if they try to steal your guy, they won't look so pretty with a black eye! -- Cheryl

Dear Cheryl,
People at school tell me that some boys like me, but I don't know if they're telling the truth. How do you know for sure if a boy likes you? **-- Wondering, Houghton, MI**

Dear Wondering,
Well, around me the boys get all nervous, sweaty, they mumble, knock things over, and follow me around like a puppy dog. Of course, that's just me. But look for signs that they turn into a drooling mess, and you can be pretty sure that they like you. -- Cheryl

Dear Cheryl,
There is this boy I like and I want him to notice me. But my mother won't let me wear make-up to school yet. My hair is blond and just below my neck. How should I wear it and how should I dress? **-- Megan, Portland, OR**

Dear Megan,
It's a known fact that guys like hair long and loose, so don't put your hair up. Add pretty bows and barrettes for extra attention. If you want a guy to notice you, the brighter the clothing the better. Avoid beige and gray in your wardrobe. And rule #1: If the outfit's not a head-turner, leave it at home! -- Cheryl

Dear Cheryl,
I'm ten years old. I think I'm ugly. I really want boys to notice me. What should I do? **-- Lonely without a boy, Englewood, CO**

Dear Lonely without a boy,
If you think you're ugly, you'll act like you're ugly and then people will also think you're ugly. Stop thinking like that now! Find out what's pretty about you. Then get a make-over and some new outfits that flatter your figure. If you feel pretty, you'll get the attention you deserve. -- Cheryl

Dear Cheryl,
I like this kid named Mike. But I don't think he likes me. My mom says to ask him. But I have a boyfriend already. What should I do? **-- K.A., McDonald, PA**

Dear K.A.,
There's nothing wrong with finding out of this boy likes you, but don't come right out and ask him. That might make you look desperate. Drop little hints and see if he takes the bait. And remember, two boyfriends are always better than one (and more fun!). -- Cheryl

EDITOR'S NOTEBOOK

Dear Archie Readers,

First, I would like to thank everyone who responded to my plea for E-mail. I'm almost sorry I said anything (just kidding). I've been overwhelmed by letters. Please accept my apology if you did not receive a response from me as yet. Eventually, I hope to answer every letter, so try to be patient

Now on to some insight as to what's in store for all you lucky Archie fans next month:

Tis the month before Christmas,
When the weather gets chilly,
Archie fans just want to feel silly.
It's easy to do, no time for a rest.
Run down to the store for a brand new digest

ARCHIE'S HOLIDAY FUN DIGEST #1 helps to kick off the holiday season in true Archie style. This new addition to the Archie Digest Library is definitely a collector's item. It's so funny that you'll probably cry laughing over it. This could create a soggy mess, so play it safe and buy two copies.

Next is some really big news. JUGHEAD is about to face his greatest threat...TRULA TWIST and her J.U.S.T. cause! When Jughead finds himself being chased by some jealous boyfriends, he has reason to believe there's a conspiracy to set him up. But why? And who is this Trula Twist who keeps showing up? And what is J.U.S.T.? If you want the answers to these intriguing questions, you're not going to get them from me. Ya gotta buy the book! This exciting 3-part saga begins with JUGHEAD #89 FEB. The story is by Craig Boldman with art by the ever popular Rex Lindsey.

Before I go, here's a reminder. CHERYL BLOSSOM #3 FEB. wraps up her latest 3-part mini-series (Goes to Hollywood). But have no fear, Cheryl fans, the demand for more Cheryl has been so tremendous that we had to give her her own book. So starting this January you can have a dose of Cheryl Blossom almost every month.

See you all next month. Til then, have a great Holiday Season!

Send your letters to.
